Background

On December 14, 2015, the Department published the Final Results.<sup>5</sup> On December 15, 2015, the Jangho Companies alleged that certain ministerial errors were contained in the *Final Results*, and requested that the Department correct such errors.<sup>6</sup> No other party has submitted ministerial error comments or rebuttal comments.

Before the Department could take action on the alleged ministerial errors, both Taizhou United Imp & Exp Co Ltd. and the Jangho Companies filed a summons and complaint with the U.S. Court of International Trade (“CIT”) challenging the Final Results, which vested the CIT with jurisdiction over the administrative proceeding.<sup>7</sup> On February 8 and 12, 2016, the CIT granted the Department leave to publish amended final results upon considering the ministerial error allegations.<sup>8</sup>

#### Correction to the Final Results

As discussed in the memoranda accompanying this notice, and which are hereby adopted by this notice, we determine that the *Final Results* contained two ministerial errors.<sup>10</sup> First, in Guangzhou Jangho's glass for less than adequate remuneration (LTAR) purchases and benefits spreadsheet, we inadvertently referenced the wrong column in the transaction-specific benefits formulas for Guangzhou Jangho's glass purchases. We have corrected this error by modifying the relevant formula to refer to the correct column. Second, in Shanghai Jangho's aluminum extrusions for LTAR purchases and benefits spreadsheet, the formulas used to reference monthly aluminum extrusions benchmark prices were returning the value for the wrong month in certain

instances, and in some instances we had used incorrect formulas. We have corrected these errors.

#### Amendment to Rates for Non-Selected Companies Under Review

In light of the above corrections, for the 38 companies for which a review was requested and not rescinded, but were not selected as mandatory respondents, we have recalculated the net subsidy rate which is based on the overall subsidy rates calculated for the mandatory respondents of this review.<sup>11</sup>

We have also recalculated the net subsidy rate assigned to those companies for which we applied AFA in the *Final Results* because the AFA rate includes the individual subsidy rates determined for the glass for LTAR and aluminum extrusions for LTAR programs.<sup>12</sup>

#### Amended Final Results of Administrative Review

In accordance with 19 CFR 351.224(e) we determine the following amended final net subsidy rates for the 2013 administrative review:

<u>Company</u>	<u>Ad Valorem Rate</u> <sup>13</sup> <u>(Percent)</u>
Allied Maker Limited	28.01
Alnan Aluminum Co. Ltd.	28.01

---

<sup>11</sup> For further information *see* Memorandum from Davina Friedmann and Tyler Weinhold, Case Analysts, to Robert James, Program Manager, Office VI, AD/CVD Operations, regarding: “Administrative Review of Countervailing Duty Order on Aluminum Extrusions from the People’s Republic of China: Non-Selected Rate Calculation Memorandum for the Amended Final Results,” dated concurrently with these amended final results of review.

<sup>13</sup> Because the net subsidy rate for the Guang Ya Group did not change as a result of these amended final results, their net subsidy rate remains the same as was published in the *Final Results*. *See Final Results*, 80 FR 77325, 77327.
